Dear Sir or Madam

NOTIFICATION OF ESSENTIAL LIGHTING MAINTENANCE WORKS M1 Junction 21 to Junction 21a

Further to my letter dated 28 August 2020 that I sent to you previously, I am writing to let you know that we have amended the dates for the essential lighting maintenance work on the M1 Junction 21 to Junction 21a.

When will the work take place?

We originally planned to start work on **5 October 2020** with a scheduled completion date by the end of **March 2021**. We have had to amend our start date and now look to begin work in **mid-November 2020** with a scheduled completion date by end of **May 2021**.

All carriageways will be open as usual outside of our working times.

During these closures we will put in place fully signed diversion routes which have been agreed with the Local Authority.

Please note that all our planned roadworks may be subject to change due to weather conditions or unforeseen circumstances.

Currently, all previously communicated information regarding diversions, closures and working hours remains the same.
